Equine Event Stall Rental and Stopover Policy and Charges

We would like to welcome you to Valkyrie's Haven and are happy to share our facility with you.

Each equine must have current (within 1 year) negative Coggins on file before or at arrival.

Each equine from outside of KY must have a current (within 30 days) health certificate executed by a licensed veterinarian. Equines should be current on their vaccines.

Please fill out the stall card so that we have basic information and contact information for your equine in case of emergency.

Event Stall Rental Self Care –

\$30 per day and entitles **one** equine (no stall sharing) to the following:

12 x 12 stall, access to water, access to turnout.

First bag shavings included. Additional shavings are available @ \$10 per bag.

Each stall has 2 large water buckets.

We have grass hay available for purchase \$7/ #50 bale.

Owners are responsible for grain/supplements, etc.

It is understood that the owner will do daily care of the equine. Manure picks/buckets provided for use – dump manure in the dumpster behind the equipment barn.

On the last day strip the stall and put manure/shavings in dumpster. Unstripped stalls will incur a \$50 charge.

Stop Over Full Care Stall Rental – \$50 per day – see above for standard amenities.

VH staff will care for your equine including twice daily feeding hay and feeding of supplements (provided by you) as needed; stall cleaning, water refilling

Blanketing/fly masks, turnout and night time return to stall included. Additional needs such as hand walking or medications or wound treatments must be agreed on in advance and fees discussed.
